Gotion Global

Global Achievements

Energy Storage Battery Shipment 2025

30 GWh · Worldwide Top 10

EV Battery Installation 2025

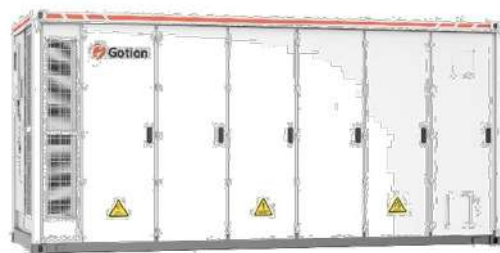

50GWh+ Worldwide Top 5

BloombergNEF Tier 1 2026

Energy Storage 3 Consecutive Quarters

S&P Global Tier 1 2026

Cell & System Dual Certification

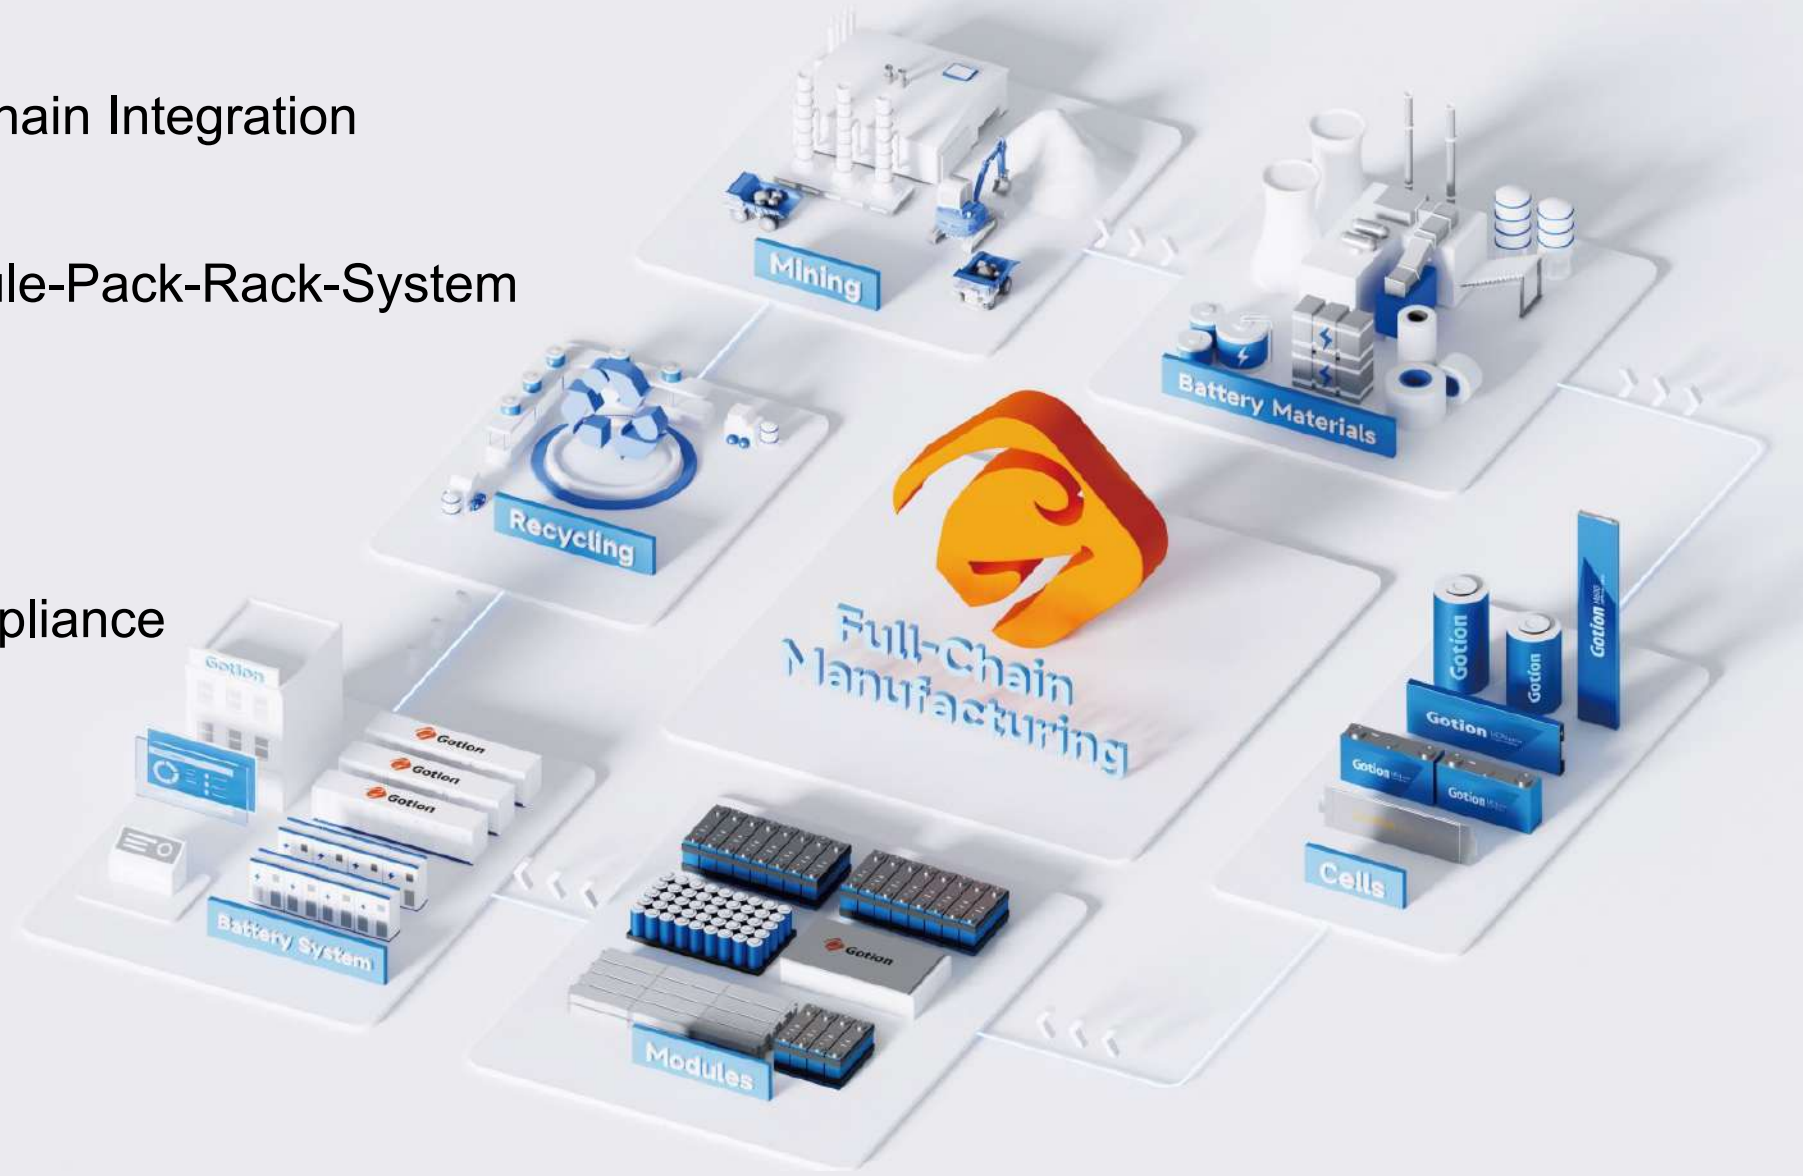

Global Capacity Strategic Layout

Battery ECO-system

- Upstream Supply Chain Integration
- Materials-Cell-Module-Pack-Rack-System
- Battery Recycling
- EU 2023/1542 Compliance – Battery Passport

Products and Applications

Passenger & Commercial Vehicle

Special Vehicle

Emerging Field

Gotion Grid for **Utility**

Gotion Edge for **C&I**

Gotion Home for **Residential**

Market & Product

ESS Products

Gotion Grid 5MWh

• 314Ah • 20ft • $\leq 3^{\circ}\text{C}$

Gotion Grid 7MWh

- 588Ah
- $\leq 3^{\circ}\text{C}$
- 20ft
- 25% Smaller Footprint

GOTION Q 20MWh

Industry-Leading 20MWh PV Storage with 25-Year Lifespan

Pan-European Industrial & Materials Footprint

Strategic Bases Anchoring Cell Production, System Assembly & Circularity

Global Service Capability

Gotion After-Sales Service

4_h

Response within 4 hours

24_h

Diagnostics within 24 hours

48/72_h

Processed within 48 or 72 hours

Case Study

Strategic Utility Partnership
Partnered with Iberdrola

England
PGT-Sheaf 337 MW / 620 MWh Utility BESS

Make Green Energy Accessible and Sustainable
